

## **Selwood Garden Community**

- **Plans to build 1,700 homes on countryside to the south of Frome, in addition to 1,300 already in the pipeline.**
- **4,000+ new residents but no new services; no middle or secondary schools, no new medical facilities and no increase in bus or train services.**
- **2000+ extra cars along the narrow roads in and around Frome.**
- **Development will significantly increase traffic and pollution across Frome and the local area.**

**More info at [stopsgc.org](http://stopsgc.org) or email [stopsgc@gmail.com](mailto:stopsgc@gmail.com)**
